

Halfway House Inn

A selection of our recent testimonials:

'What can I say! Peter the landlord, what a smashing guy, and a brilliant chef. Cooks steak to perfection. Hospitality 10/10. The site is only small, but we loved it, we didn't need to use the shower with being in a motor home, the toilets was very clean indeed, will be back for sure. Well done peter!'

'The Inn is tucked away in a quiet backwater, yet within easy reach of the pretty market town of Bridgnorth. Peter, the landlord, was the perfect host and raconteur. Our room was very comfortable and quiet. The locals were very friendly and welcoming, and we enjoyed the company of other guests and the excellent food and drinks that were on offer, so much so that we ate in on all three nights of our stay. The River Severn is close by, and gave us some excellent fishing.'

'We were tired from driving & frustrated looking for B&B's when my wife found this Inn in a B&B book. We rang Peter & straight away had a happy response. When we arrived we were welcomed in & had drinks with friendly locals & a meal with other guests. The room was clean & comfortable, meals wholesome. A pleasant stay in a charming 16th century Pub.'

'We were a party of four staying for two nights. On our arrival we were made to feel very welcome. We stayed in rooms above the inn and they were clean and of a good standard. The evening meals and breakfasts were also good quality with plenty of variety. The bar area itself had a pleasant old world charm, just the right sort of atmosphere for enjoying their range of whisky's. Personally, I was participating in a sporting event in the area and the staff ensured everything went smoothly for me, providing secure storage for my bike equipment, making sure I was ok for early morning breakfast needs etc.... Overall a very pleasant stay and all being well hope to return again next year.'

'I booked a two day event for seven friends for a 50th birthday. Everything from the warm welcome to the home cooked food was great. We opted for Quad biking and clay pigeon shooting with an 18 hole round of golf on the day of arrival. Effortlessly these events were organised and i have had feedback from all my friends they all loved it.'

'Thank you so very much for the weekend at Halfway House. We all enjoyed our stay with you, the food was fantastic. We will certainly recommend you to all of our friends etc. Please also convey our thanks to your staff.'

'Just wanted to say thank you very much, we all had a great weekend. Think we tired the kids out so much that they are sleeping like logs at the moment! We hope to return at some point next year.'

'Cute old bar with decent drinks, seating and sport on. Friendly landlord who took lots of effort to make us whatever we wanted for breakfast (homemade jams etc too!).'
